

MOM(20/03/2024)

-Time: 4:30 to 5:00pm

1. AWS Credentials will be shared in some time, a video will be shared explaining how to do certain things.
2. Provide a timeline for the remaining tasks by EOD, and go through the recording of last meet to make sure any points said by Chaitanya are not skipped
3. For Friday keep the UI changes ready, and also some updates regarding the video part.
4. Do replacing the CV algo and AWS deployment testing simultaneously.
5. UI parts are improved
6. Check the CV algo and try to make improvements in it.
