

Minutes of meet (1 Feb)

Client went through mission statement. And also suggested that all the 5 teammates should write their individual minutes of moment so that everyone be familiar with the motto of the work.

A Backend issue was found with respect to version of the expo go and the old architectre. Client said try to fix it by weekend.

Project synopsis was also done and release clauses are written with respect to corresponding release and their due dates

Note: This Meeting was a short meeting to know about status of the project and about the members after the gap of quiz 1,
